Case No. [20-cv-06754-WHA](#) (DMR)

**ORDER ON OUTSTANDING  
DISCOVERY LETTER BRIEFS**

Re: Dkt. Nos. 377, 400

11 The court has reviewed the joint discovery letters filed at Docket Nos. 377 and 400. The  
12 court will hold a hearing on Defendant Sonos, Inc.’s (“Sonos”) motion to compel (Docket No.  
13 377) on December 8, 2022 at 1:00 p.m. via Zoom webinar.

14 As to Plaintiff Google, LLC’s (“Google”) motion to compel (Docket No. 399), the letter  
15 raises disputes that the parties should be able to resolve without court intervention. For example,  
16 Sonos contends that it has already produced “the latest version of” certain documents Google  
17 seeks, as well as “a sampling of the versions” of other documents. In response, Google asserts  
18 that Sonos “has not identified” the documents it purportedly produced. Accordingly, the joint  
19 letter is denied without prejudice. The parties shall immediately meet and confer in person  
20 regarding the issues raised in the letter, along with the relevant portions of the Sonos’s production  
21 and any individual(s) with technical knowledge about the production. If disputes remain after  
22 meeting and conferring, the parties shall file a joint letter in accordance with the court’s Notice of  
23 Reference and Order re: Discovery Procedures (Docket No. 105) by no later than November 28,  
24 2022.

25 **IT IS SO ORDERED.**

26 Dated: November 16, 2022
